Dear: **General Students Body.**

RE: Awareness of the Prevailing Situation.

As the Institution is in preparation to re-open in staggered manner, We as Off-Campus Body, We bring to you the following issues:

▷ Firstly, We extend our sincere gratitude towards congratulating our Rt Hon. Speaker for having survived the thieves who attacked him around Railway Cross-over towards lords hostel after the main road.

▷ Due to continued insecurity around hostels and on the roads, please for safety you are advised to atleast move in groups of two or more people and you are encouraged to shout-out loud for help incase of any attack.

* Lets try as much as possible to desist from moving at night when you are alone to reduce the chances of being attacked.

- As we are trying our best with all stakeholders to providing of street security lights around that corridor (Railway stretcher).

▷ During this period, there have been alot of mismanagement issues concerning hostels and all places of residence by the custodians due to lack of factual evidences.

So please you are requested for any payment you make with the hostel custodians, make sure to get a receipt and take record of what you have left in your room.
