

INTERNSHIP PLACEMENT ADVERT

HEST GRADUATE PROGRAMME

Mandatory Induction Training; 25th -27th October 2023

Makerere University College of Health Science, School of Public Health (MakSPH) and College of Business and Management, School of Statistics and Planning (MakSSP) with funding from the Impact Evaluation for Evidence Based Decisions (IEED) project invite suitable candidates to apply for the **HEST University graduate internship programme**.

About the program

The HEST Graduate Internship Programme is designed to empower **recent bachelors degree graduates** with practical skills and hands-on experience in their respective fields. By participating in this programme, you will have the opportunity to work with selected partner industries, receive guidance from experienced mentors, and engage in meaningful projects that will enhance your career prospects.

Eligibility Criteria

We are looking for exceptional candidates who meet the following criteria:

- **Academic Status:** Awaiting graduation or in their final semester from Makerere University (MUK), Makerere University Business School (MUBS), and Kyambogo University (KYU).
- **Academic Performance:** Participants should be under normal academic progress, as indicated by their most recent results.

Please Note:

We will not consider applicants who fall into the following categories:

- Students who are currently employed.
- Masters degree graduates.
- Bachelors students who graduated more than 2 years ago

Application Procedure

To apply for this exciting opportunity, please complete and submit an online application by scanning the provided QR code on the right or via the link below.
