

# WATER, ENVIRONMENT AND ENERGY 2024

## MENTORSHIP PROGRAM

For Engineering, Public Health Promotion, Environment and Energy Graduates

# 4<sup>th</sup> Cohort

## DEAR UNIVERSITY GRADUATES,

The Water Resources Institute of the Ministry of Water and Environment and Partners are proud to offer a 12-month Water, Environment and Energy Mentorship Program to enterprising students who graduated from June 2022 to January 2024 to bolster the Gender Equality in the growing fields of Engineering, Public Health Promotion, Environment and Energy.

The Mentorship Program for 2024 is only open to 30% male and 70% female Engineering Graduates and 70% Male and 30% female Public Health Promotion.

For the field of environment and energy the opportunity is open with no percentage restrictions in relation to gender.

Successful graduates will be posted to the various Refugee Settlements in Uganda.

**The deadline of submission is January 6, 2024**

Submit CV and cover letter not more than 2 pages to:
